Supt. of Schools Report

To the Superintending School Committee and Citizens of Cornville.

I herewith submit my annual report as superintendent of the public schools of Cornville.

During the past year the teaching personnel has remained the same with the exception of one change. Mr. Donald Parker was employed as teacher of the Whittier school upon transference of Mr. Frank Libby from the Whittier to the Cleveland school. Mr. Libby replaced Mrs. Marion Nelson who resigned at the close of the school year. All of the teachers are giving their best efforts in the teaching of their pupils and the schools are maintaining a satisfactory degree of progress.

Your attention is called to the chart showing the enrollment in the various schools. Although the total overall enrollment has not increased alarmingly over that of last year, the large increase in the first grade should be noted. An increase in the beginning grades seems to be nation wide and indicative of an increasing enrollment that will gradually spread throughout the school systems. It would be well to anticipate this and to begin making plans to provide for this increase in school population.

Perhaps one of the greatest single factors which determines a child's progress in school is that of regular attendance. When a child is absent a day, he not only loses the day in question, but being unprepared in his assignment he does not receive full benefit from the instruction on the following day. Consequently his lessons become more difficult, he loses interest, and his school work is hampered. Children should not be kept out of school except in cases of illness. Parents pay taxes to support the schools and it is sound business for them to have their children derive all the benefits possible from the schools which they support. The school and the home should work cooperatively for the best interests of the child. To this end the parents are sincerely invited to visit the school and to become acquainted with the teachers and the various school problems. A close understanding between school and home makes for a better and happier school life for the child. This in turn stimulates and inspires the child toward success in school.

At the last session of Legislature a law was passed making it compulsory for all school employees to either have a patch test or a chest X-ray to determine whether or not they were free from tuberculosis. This is a step in the right direction toward combatting the disease. Since this examination can be had at the Fairfield Sanatorium for a small fee, it would seem wise for all parents to make arrangements when possible to have their families examined. The State Department of Health and Welfare is ready to advise in this and other phases of public health. With such a cooperative agency available parents should make use of its facilities in protecting their own health and that of their children. The Public Health Nurse has cooperated splendidly with the teachers in various phases of health work in the schools. Audiometer tests were given to the pupils during the fall term. Parents, upon receiving notice from the teacher to the effect that the child's hearing is defective, are urged to follow up these reports with corrective measures.

It has been necessary to undergo extensive repairs within the past year. This has caused an overdraft in the repair account that was unavoidable. Upon attempting to repair the foundation wall of the Lincoln school building, it was discovered that so much work was involved that it would be more economical in the long run to construct an entirely new foundation wall. This work was completed. A new exterior door was installed at this building, the exterior painted, and the name of the school appropriately affixed to the front of the school house.

Mr. Henry Palmer offered to pay a generous sum of money toward refinishing the interior of the Revere school building. To date the ceiling has been whitened and the woodwork painted. The town of Cornville is indeed fortunate to have as a citizen such a generous and public spirited man as Mr. Palmer.

An oil burning heater was installed during the summer at the Revere school. This equipment has proved very satisfactory in heating the building. Although the stove has not been in service long enough to determine an accurate comparative cost between oil and wood, the indications are at present that they compare favorably. The stove is far superior to a wood burning heater in that it keeps the school room warmer and at a more even temperature.

A group of interested citizens have expressed the desire to have the Brick school insulated and storm windows provided. If this could be done it would aid greatly in making the school more comfortable during the winter months.

Electric lights have been installed at the Whittier, the Cleveland, and the Lincoln schools. All schools are now equipped with lights. This is a definite improvement that was badly needed. During the short, dark, winter days the electric lights tend to make the school room more cheerful and most important to prevent eye strain often caused by working in poor light.

In the estimated budget for the next fiscal year every effort has been made to keep the expenditures as low as possible, and only items of absolute necessity have been taken into consideration. School costs have increased and there are several reasons why they will not be materially lessened in the immediate future. Teachers' salaries, conveyance, and high school tuition comprise the greater portion of the school budget. At the last session of the Legislature the minimum salary for certified teachers was fixed at \$1,500 per year. Although teachers' salaries are higher than ever before, they are still below that of the average skilled employee. At the same session of Legislature the maximum high school tuition rate was increased from \$125 to \$150 per pupil per year. The state apportionment paid to the town on teaching positions and high school tuition was increased somewhat, but the bulk of the costs must necessarily fall on the town. The full impact of these increases in cost will be felt this ensuing fiscal year since these laws become effective with the opening of school in September. Notice was received from the State Department of Education that they had made an error in computing the figures in the amount to be paid Cornville last December in equalization. Instead of the anticipated \$2,483.00 the amount received was \$1,483.00. Although the state apportionment for teaching positions was about \$600.00 more than estimated, the resources in the entire common school account fell about \$400.00 short of the amount estimated.

Your school committee has carefully considered the proposed budget for the ensuing year and has recommended that the sum of \$9,785.00 be appropriated for all school purposes.

May I conclude by expressing to the members of the school committee, teachers, and citizens generally a very sincere appreciation for their helpful and loyal support of the Cornville schools.

Respectfully submitted,

WILLIAM G. SPRINGER

Superintendent

State Auditor's Report

State of Maine
STATE DEPARTMENT OF AUDIT
Augusta

July 15, 1947

Board of Selectmen
Cornville
Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944 and at your request, the records of the Town of Cornville have been audited by Auditor R. M. Parsons for the period February 16, 1946 to February 15, 1947 inclusive.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the town appear to have been appropriately handled.

Exhibits and schedules incorporated in this report impartially present the financial position of the town and the result of its operations for the period designated.

Comments and other data incorporated in this report may prove of interest to you. All of which is respectfully submitted,

Very truly yours,

FRED M. BERRY,

State Auditor

FMB:lee

COMMENTS

Re: Audit of Accounts—Town of Cornville
February 16, 1946 to February 15, 1947

CASH

The cash receipts were checked in detail, and all receipts issued were recorded correctly.

The checkbook balance of \$538.10 was reconciled and found to be in agreement with the depository. Cash on hand in the amount of \$2.53 has been turned over to the Treasurer-elect. All expenditures were made by check from properly authorized warrants.

ACCOUNTS RECEIVABLE

Accounts receivable totaling \$26.43 are current and collectible.

TAXES RECEIVABLE

The 1946 tax commitment was added and checked and found to be in agreement with the records of the Assessors.

The current commitment was settled, with the exception of \$54.86. Taxes outstanding were checked and listed.

Transactions affecting prior years' taxes were checked, and all outstanding taxes were listed.

TAX LIENS

All transactions affecting tax liens were checked, and all tax liens remaining unpaid were listed.

ACCOUNTS PAYABLE

Accounts payable totaling \$51.76 are current, with the exception of an apparent overpayment in prior years of \$33.00. This account of an apparent overpayment in prior years of \$33.00 This account should receive consideration.

NOTES PAYABLE

Notes payable totaling \$7,400, represent a balance due on the tractor and snowplow note of \$5,400 which is being matured annually at the rate of \$1,000, and a balance of \$2,000 due on the 1946 tax anticipation note.

BONDS PAYABLE

Bonds payable in the amount of \$2,000 are being paid \$1,000 annually, the last bond maturing in 1948.

NET DEFICIT

The net deficit of \$8,603.71 at the beginning of the fiscal year was increased \$1,536.70. This increase was due to the overdrafts in the Highway accounts.

TRUST FUNDS

All trust fund investments were examined with the exception of the Ministerial and School Fund passbook which was not available for examination. All income expended appeared to be in accordance with the terms of the trusts.

EXCISE TAX

The excise tax receipts were checked and added and it was determined that the Tax Collector had overdeposited \$1.37, which amount has been set up as an account payable.

GENERAL

The Tax Collector and Treasurer furnished corporate surety bonds.

Vouchers and payrolls on file were examined to the extent deemed necessary and so far as could be determined from this examination, all charges appeared proper and correctly recorded.

Warrant for Annual Town Meeting

County of Somerset, ss.

State of Maine

To William Brown, Constable of Cornville

Greetings:

You are hereby required to notify and warn the Inhabitants of the Town of Cornville, qualified by law to vote in town affairs, to assemble at the Town House in said town Monday, the 8th day of March, A. D. 1948, at ten o'clock in the forenoon to act on the following articles, to wit:

Art. 1—To choose a Moderator to preside at said meeting.

Art. 2—To choose a Town Clerk for the ensuing year.

Art. 3—To see if the town will vote to accept the report of town officers for the year 1947-48.

Art. 4—To choose Selectmen, Assessors, Overseers of Poor, Treasurer, Tax Collector, Constable, School Committee, Trustee of School Fund, and all other officers required by law to be chosen at annual March meeting.

Art. 5—To see what action the town will take in regard to electing a Road Commissioner.

Art. 6—To see if the town will vote to raise \$155.00 to reimburse Harold Cross for 1,000 ft. of snow fence.

Art. 7—To see what sum of money the town will vote to raise for making and repairing highways in said town.

Art. 8—To see what sum of money the town will vote to raise for snow roads.

Art. 9—To see what sum of money the town will vote to raise for repairs and upkeep of tractors and snowplows.

Art. 10—To see what sum of money the town will vote to raise for making and repairing culverts and bridges.

Art. 11—To see if the town will instruct the selectmen to hold one-half of all money earned on highways, transporting school children and all other labor for the Town of Cornville to be paid in taxes until taxes are paid.

Art. 12—To see what sum of money the town will vote to raise for cutting and burning bushes along town roads.

Art. 13—To see what sum of money the town will vote to raise for the support of schools for the ensuing year; this sum to include textbooks, tuition and supplies.

Art. 14—To see what sum of money the town will vote to raise for the repairs on schoolhouses.

Art. 15—To see if the town will vote to raise the sum of \$1,000.00 to pay the town's proportional part of patrolling patrol road.

Art. 16—To see what action the town will take in regard to unpaid taxes.

Art. 17—To see what sum of money the town will vote to raise for cutting and burning bushes along State Aid roads.

Art. 18—To see if the town will vote to raise the sum of \$342.96, the salary of Superintendent of Schools.

Art. 19—To see if the town will vote to raise the sum of \$1,000.00 to meet their bond due March 1.

Art. 20—To see if the town will vote to authorize the Selectmen to procure temporary loans in anticipation of taxes for the purpose of paying obligations of the town, such notes to be paid during said current municipal year of taxes.

Art. 21—To see if the town will vote to authorize the Selectmen in behalf of the town to sell and dispose of any real estate acquired by the town by non-payment of taxes thereon at such terms as they deem advisable and execute quit-claim deeds for each property.

Art. 22—To see if the town will vote to raise \$200.00 for fire fighting.

Art. 23—To see what sum of money the town will vote to raise for support of poor.

Art. 24—To see if the town will raise and appropriate \$30.00 for Public Health Nursing in Cornville, said sum to be expended by the State Bureau of Health, for local service.

Art. 25—To see whether or not the town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 5, Section 82, of the Revised Statutes of Maine.

Art. 26—To see if the town will vote to appropriate the sum of \$200.00 to cooperate with the Maine Forest Service and the Federal Government in the control of White Pine Blister Rust in accordance with Revised Statutes, Chapter 32, Section 54.

Art. 27—To see what sum of money the town will vote to raise for the care of cemeteries, and appoint a sexton.

Art. 28—To see what sum of money the town will vote to raise for Memorial Day purposes.

Art. 29—To appoint a Memorial Committee.

Art. 30—To see what sum of money the town will vote to raise to pay interest on interest bearing notes and town bond.

Art. 31—To see what sum of money the town will vote to raise to defray other town charges.

Art. 32—To see if the town will vote to continue workmen's compensation insurance and raise the sum of \$200.00 for same.

Art. 33—To see if the town will give 3% discount on personal and real estate taxes paid before July 1.

Art. 34—To fix wages of men and horses and trucks for labor.

Art. 35—To see if the town will vote to change 6% interest on all unpaid taxes after December 1.

Art. 36—To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provision of Sections 25 and 29, Chapter 20, R. S., as amended.

Art. 37—To see if the town will vote to raise \$1,000.00 to pay on tractor note.

Art. 38—To transact any other business that may legally come before said meeting.

Art. 39—To see what action the town will take with reference to raising \$66.00 to cover the street lighting service.

Art. 40—To see if the town will authorize the Selectmen to give renewals on the snow equipment note.

Art. 41—To see if the town will vote to raise the salary of the Treasurer \$50.00 due to increased duties.

Art. 42—To see if the town will vote to abate Henry Rice's tax on improvements for ten years if and when he should build.

Art. 43—To see if the town will vote to raise the sum of \$625.00 for maintenance of State Aid roads.

Art. 44—To see if the town will vote to put a bulldozer blade on one of its tractors.

Art. 45—To see if the town will vote to put a roof on the north side of tractor house and paint the doors.

Art. 46—To see if the town will raise the sum of \$1,000.00 for tarring the West Ridge road, beginning at the Skowhegan-Cornville town line and extending north as far as this amount will tar.

Art. 47—To see if the town will vote to raise \$3,800.00 to cover overdraft.

Hereof fail not and have then and there this warrant with
your doings thereon.

Respectfully submitted,

BERT L. BOWMAN

ARTHUR R. MOODY

EDWARD H. BELGARD

Selectmen of Cornville

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.

Superintendent of Schools Report

To the Superintending School Committee and Citizens of Cornville:

I herewith submit my annual report as superintendent of the public schools of Cornville.

Several changes have occurred in the teaching personnel during the past year due to various resignations. Mrs. Matilda Rice was employed to teach at the Revere school, Mrs. Lillian Spencer at the Whittier school, and Mrs. Sarah Tweedie at the Lincoln school. Mrs. Tweedie, however, was unable to continue her duties after the fall term because of health reasons, and Mrs. Delia Brown was employed to fill this vacancy. Mrs. Bertha Hilton has remained at the Brick school, and Mr. Frank Libby at the Cleveland school. The teachers are all doing fine work with the children, and the progress attained by the pupils has been very satisfactory.

It has become increasingly difficult to fill positions in the rural schools with certified teachers. This is due chiefly to the shortage of teachers coupled with the salary offered. School enrollment is mounting steadily in practically every community, thereby creating additional teaching positions. Because of this, and the fact that there are not a sufficient number of trained teachers to fill the existing vacancies, it becomes a serious problem to procure teachers unless salaries and working conditions are such as to attract candidates. It has been estimated that there will be as many as 1,600 vacancies in the state next fall, and that less than 200 trained teachers will be available from the normal schools to help fill them. The commissioner of education is well aware of the critical situation facing the education of the youth of our state, and is doing everything possible to help bring about a solution of the problem. Bills have been prepared for legislation proposing that laws be enacted that will increase state subsidies to towns, assist financially in schoolhouse construction, and make the teaching profession more attractive to worthy prospective teachers. It is sincerely hoped that the legislature will take definite measures upon these important issues.

It was with deep regret that we learned of the passing of Mrs. Elizabeth Williams who for many years had so faithfully performed her duties as bus driver for the pupils of the Revere

school. Several persons who were considered as likely to be interested in driving this route were contacted, but by late summer nobody had been found who cared to furnish this conveyance. Shortly before school opened, Mrs. Matilda Rice expressed a willingness to buy a bus and provide this transportation. Although it is unusual for a teacher to drive the bus also, this arrangement is working out very satisfactorily. Mrs. Rice has generously used her bus to take pupils on trips in connection with their school work and activities. These trips are most worthwhile, in that they stimulate the interest and broaden the understanding of the children in their studies and social relations. The Reverend Tucker has likewise taken a group of pupils from the Whittier school on a trip to Madison to visit an industrial plant in that town.

The Lincoln school purchased an organ with funds raised in the school. This type of equipment is an asset to the school, and it helps to instill an appreciation of music in the pupils. Each school sponsored very successful programs during the year entertaining the parents. The pupils and the teachers were grateful for the fine spirit of cooperation and interest shown by the parents. We hope that parents will visit the schools frequently and become familiar with the work the pupils are doing.

Because of the excessive drought last summer and fall, some of the schools were unable to obtain their drinking water from the usual source of supply. The necessary water was, for the most part, furnished through the kindness of bus drivers and friends. According to state law, a sample of drinking water used by the schools is required to be sent to the Bureau of Health for analysis. It must be free of pollution to allow its continued use by the school children. These samples were sent and only one source of water supply passed inspection. Later a representative of the Department of Health and Welfare inspected the various wells and springs, and he made suggestions for taking protective measures against contamination. In every instance the owners of the wells were very cooperative and anxious to carry out the recommendations made.

The foundation of the Whittier school was in great need of repair. Because of the lack of funds, it was decided to make such repairs to the underpinning as was practical under the circumstances. Mr. Frank Pugh cooperated splendidly in helping to get this work done.

The renovating of the interior of the Revere school which was started last winter, through the generous financial assistance of Mr. Harry Palmer, was completed last spring. This was accomp-

lished through the cooperation of Mrs. Lephe Beckwith and other interested friends of the school. This building is now in good general repair except for the need of some minor repairs to the front entrance.

The Brick school has for sometime been extremely difficult to keep warm, therefore it was decided to purchase storm windows for the building. Mr. Willis Quinn kindly volunteered to obtain the necessary windows. They have been installed and a material improvement in the heating of the building has been noted. Two storm windows were also provided for the Lincoln school. There should be some fine gravel spread around the entrances of all the schoolhouses. We hope that this can be done in the spring.

The oil burning stove at the Revere school has proved very satisfactory in that it has given steady, even heat. It has done away with the necessity of starting a wood fire in the morning, and waiting for the room to become comfortable. It has also lightened the janitor work in the school. The cost of oil for the building has been somewhat more than the cost of wood, but the schoolhouse is large and in an exposed position. However, the differential in the cost of oil for the other buildings should be considerably less, since they are smaller and better protected. It would be advisable for the town to consider seriously the installation of oil burning heaters in the other schoolhouses.

The schools have been furnished with textbooks and supplies as needed. However, all schools lack suitable maps. It is estimated that the cost of this essential item would be approximately \$175. Plans are to purchase these maps as soon as funds are available. At least one-half dozen new desks should be purchased for the Whittier school.

The school committee has carefully examined the proposed budget for the ensuing year and has recommended that \$9,079.00 be appropriated for all school purposes.

In conclusion I wish to acknowledge the kindly aid of the members of the school committee at all times, and to express my sincere thanks to the parents, teachers, and interested citizens who have given their loyal support to the Cornville schools.

Respectfully submitted,

WILLIAM G. SPRINGER

Superintendent

Public Health Nursing Report

January 1 to December 31, 1948

This year most nations of the world agree that health should be defined as a complete state of physical, mental, and social well being. The Contrast with the former limited definition of merely the absence of disease is striking and startling. It emphasizes the responsibility of each person for a complete analysis of his own health and for action in accordance with his findings. The school, the doctor, and the nurse see individuals for only a limited length of time. The home is the place where the basic responsibility lies, for the family has a responsibility to the community as well as to the individual members of the family. Your Public Health Nurse wishes to help you fulfill that responsibility.

In May, a series of typhoid immunization clinics were held with the planning and assistance of your local Health Committee. All ages were welcomed.

The Child Health Conferences were held at the Grange Hall during the summer months. There was an average attendance of 11 infant and preschool children at each of the three meetings. Twelve children were protected against diphtheria, 9 against whooping cough; 12 against tetanus or lockjaw and 4 against smallpox. It would be much more gratifying if we could reach more of the young children of the community with this service.

Hearing tests by means of the audiometer were given to the school pupils in September. This is a means of detecting instances of hearing loss at a time when remedial care may prevent permanent damage.

Pediatric, Crippled Children's, and Mental Hygiene Services are available through the Department, and have been found to be of benefit to some children in the community. Home visits have been made to discuss health problems or their avoidance.

Respectfully submitted,

LORNA C. DILL

Public Health Nurse

State Auditor's Report

State of Maine
STATE DEPARTMENT OF AUDIT
Augusta

November 29, 1948

Board of Selectmen
Cornville
Maine

Gentlemen:

In accordance with Chapter 16, Section 3 of the Revised Statutes of 1944 and at your request, the records of the Town of Cornville have been audited by Auditor C. N. Dyke for the period February 16, 1947 to February 16, 1948 inclusive.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying Comments.

Exhibits and Schedules incorporated in this report present the result of the financial operations of the Town for the period designated.

Recommendations are also offered which are believed to be worthy of your consideration.

All of which is respectfully submitted,

Very truly yours,

FRED M. BERRY,

State Auditor

FMB/bf

COMMENTS

Re: Audit of Accounts — Town of Cornville
February 16, 1947 to February 16, 1948

An audit has been completed of the financial accounts and transactions of the Town of Cornville for the municipal year ended February 16, 1948.

CASH

The cash available for current expenditures amounted to \$89.15 and was accounted for as follows:

On Hand (Deposited 2-19-48)	\$32.75
Demand Deposit	56.40
Total	<u>\$89.15</u>

The demand deposit was reconciled with the bank statement of the Depositors Trust Company of Skowhegan, and the deposit of February 19, 1948 was verified.

An analysis made of the receipts and deposits indicated that all cash recorded as received had been deposited promptly.

It was ascertained that all disbursements had been made by check, and that all warrants had been paid in full.

ACCOUNTS RECEIVABLE

The item in this account is for poor relief reimbursement due from the State of Maine.

TAXES RECEIVABLE

The 1947 commitment book was added and checked with the valuation book. The total assessment charged to the Tax Collector was accounted for as follows:

Cash Collections	\$ 25,985.02	95.12%
Tax Liens	890.50	3.26
Discounts	325.54	1.19
Abatements	117.90	.43
Total	<u>\$ 27,318.96</u>	<u>100.00%</u>

All collections as recorded by the Tax Collector were traced to deposit with the Treasurer.

All abatements allowed were examined and were found not to have been signed by a majority of the Assessors.

TAX LIENS

The outstanding tax liens at February 16, 1948, amounted to \$1,272.90, and the detail supporting this amount is shown on Schedule A-11. The liens found on file with the Treasurer were examined.

ACCOUNTS PAYABLE

The items in this account are for prior years. It is suggested that the municipal officers give consideration toward paying these items.

NOTES PAYABLE

An appropriation of \$1,000.00, was made at the annual town meeting and paid on the outstanding notes leaving a balance due at February 16, 1948 of \$6,400.00.

BONDS PAYABLE

Bonds outstanding at February 16, 1948, amounted to \$1,000.00. During the year, the bonds payable were reduced \$1,000.00 by an appropriation.

DEFICIT

The net deficit at February 16, 1948 was:

Appropriated Surplus	\$ 1,150.60
Deficit	7,152.89
Net Deficit	\$6,002.29

The appropriated surplus represents the balances of certain appropriation or operating accounts which are carried forward to the ensuing year.

The deficit represents the excess of liabilities over assets. An analysis of the change in this account is shown on Exhibit E of this report.

REVENUE AND EXPENDITURES

Presented on Exhibit F are the sources of current year's revenue and the departmental expenditures which reflect a net gain from operations of \$1,201.02.

TRUST FUNDS

With the exception of the Ministerial and School Fund pass-book, all trust fund investments were examined. It was ascertained that all income had been accounted for and disbursements appeared to be in accordance with the terms of the bequests.

GENERAL

The following corporate surety bonds were found on file:

Treasurer	\$ 2,000.00
American Fidelity Company, No. F-300413	
Collector	\$ 2,000.00
American Fidelity Company, No. F-300412	

The overlay of \$504.24 was within the legal limit of 5% of the appropriations, plus state and county taxes.

Excise tax collections in the amount of \$768.64 were deposited with the Treasurer. Copies of excise tax receipts were not available for examination.

An examination made of paid vouchers and payrolls indicated that not all the school rolls of accounts were signed by a majority of the school board, and that some invoices substantiating payment of school funds were not on file with the Selectmen. Chapter 37, Section 25, Revised Statutes of 1944, requires that all disbursements for school purposes be authorized by a majority of the school board.

While a detailed audit of all transactions during the year was not made, accounting records and other supporting evidence were examined or tested by methods and to the extent deemed appropriate.

RECOMMENDATIONS

It is recommended:

- (1) That the copies of excise tax receipts be retained by the Tax Collector.
- (2) That all invoices be kept on file.
- (3) That all abatements be authorized by a majority of the Assessors.

The complete report of the audit, as required by Chapter 80, Section 119, Revised Statutes of 1944, and amended by Chapter 84, Public Laws of 1945, is on file in the office of the Selectmen.

Warrant for Annual Town Meeting

County of Somerset, ss.

State of Maine

To William Brown, Constable of Cornville

Greetings:

You are hereby required to notify and warn the Inhabitants of the Town of Cornville, qualified by law to vote in town affairs, to assemble at the Town House in said town Monday, the 7th day of March, A. D. 1949, at ten o'clock in the forenoon to act on the following articles, to wit:

Art. 1—To choose a moderator to preside at said meeting.

Art. 2—To choose a Town Clerk for the ensuing year.

Art. 3—To see if the town will vote to accept the report of town officers for the year 1948-49.

Art. 4—To choose Selectmen for the ensuing year.

Art. 5—To choose Assessors, Overseers of Poor, Treasurer, School Committee and Trustee of School Fund.

Art. 6—To choose a Tax Collector and Constable and establish compensation and choose all other officers required by law to be chosen at annual March meeting.

Art. 7—To choose a Road Commissioner for the ensuing year.

Art. 8—To see what sum of money the town will vote to raise for making and repairing highways in said town.

Art. 9—To see what sum of money the town will vote to raise for snow roads.

Art. 10—To see what sum of money the town will vote to raise for repairs and upkeep of tractors and snowplows.

Art. 11—To see what sum of money the town will vote to raise for making and repairing culverts and bridges.

Art. 12—To see what sum of money the town will vote to raise for cutting and burning bushes along town roads.

Art. 13—To see what sum of money the town will vote to raise for the support of schools for the ensuing year; this sum to include textbooks, tuition and supplies.

Art. 14—To see what sum of money the town will vote to raise for the repairs on schoolhouses.

Art. 15—To see if the town will vote to raise the sum of \$342.96, the salary of Superintendent of Schools.

Art. 16—To see what action the town will take in regard to unpaid taxes.

Art. 17—To see if the town will vote to authorize the Selectmen in behalf of the town to sell and dispose of any real estate acquired by the town by non-payment of taxes thereon at such terms as they deem advisable and execute quit-claim deeds for each property.

Art. 18—To see how much money the town will vote to raise for the purpose of fighting fires.

Art. 19—To see what sum of money the town will vote to raise for support of poor.

Art. 20—To see if the town will raise and appropriate \$30 for Public Health Nursing in Cornville, said sum to be expended by the State Bureau of Health for local service.

Art. 21—To see whether or not the town will vote to raise and appropriate the sum of Twenty-five dollars (\$25) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80, Sec. 95 of the R. S. of Maine.

Art. 22—To see what sum of money the town will vote to raise for Memorial Day purposes.

Art. 23—To appoint a Memorial Committee.

Art. 24—To see what sum of money the town will vote to raise to pay interest on interest bearing notes.

Art. 25—To see what sum of money the town will vote to raise to defray other town charges.

Art. 26—To see if the town will vote to continue Workmen's Compensation insurance and raise the sum of \$200 for same.

Art. 27—To see what wages the town will vote to pay for labor on the Highways, for men, teams and trucks.

Art. 28—To see what sum the town will raise and appropriate for State Aid road construction (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20, R. S. as amended.

Art. 29—To see if the town will vote to raise \$1,000 to pay on tractor note.

Art. 30—To see if the town will authorize the Selectmen to give renewals on the snow equipment note.

Art. 31—To see if the town will vote to raise \$250 for painting the Town House one coat of paint and to use local labor at town wages.

Art. 32—To see if the town will vote to authorize the Selectmen and Treasurer to make temporary loan or loans in anticipation of taxes and to issue and negotiate notes thereof, and/or renewals thereof, or any notes in place of original notes, when paid, to an amount which at any time shall not exceed in the aggregate the total tax levy of the preceding municipal year, all such notes to mature and to be paid during the municipal year in which they are issued out of money raised during such current year by taxes in accordance with the provisions of the Revised Statutes of Maine, 1930, Section 83, Chapter 5 and all amendments pertaining thereto.

Art. 33—To see if the town will vote to discontinue two pieces of road leading off the Steam Mill road, so-called; one going east to Canaan town line from Gould's Corner on the Burrill Road, one going south commencing at the John Mitchell place to Skowhegan town line on the Notch Road.

Approved by Budget Committee.

Art. 34—To see if the town will vote to elect a school building committee to study the school housing needs of Cornville.

Approved by Budget Committee.

Art. 35—To see if the town will vote to install oil burners in three of the Common schools and raise \$450 for same.

Approved by Budget Committee.

Art. 36—To see what action the town will take in regard to purchasing a truck and snow plow from Merle Flewelling at the price of \$1200.

Art. 37—To see if the town will vote to raise \$1200 for the purchase of said snow plow.

Art. 38—To see if the Town will raise \$1,000 to fix the Bigelow Hill road from the East Ridge to Gould's Corner with a bulldozer.

Art. 39—To see if the town will vote to rebuild the Walton Bridge according to recommendations by the State Engineer and to raise \$5,000 to construct same by obtaining a bond for a period of five years to be paid \$1,000 annually.

Art. 40—To see if the town will vote to raise \$1,000 for tarring the West Ridge road beginning at the completion of last years tarring at Mabel Worthen's and extend North.

Art. 41—To see what action the town will take with reference to raising \$66 to cover the street lighting service.

Art. 42—To see what action the town will take in regard to installing a street light at Field's Corner, North Cornville.

Art. 43—To see if the town will vote to raise a sum of money to finish tarring the north end of the West Ridge road.

Art. 44—To see if the town will instruct the selectmen to hold one-half of all money earned on highways, transporting school children and all other labor for the Town of Cornville to be paid in taxes until taxes are paid.

Art. 45—To see if the town will vote to raise the sum of \$1,000 to pay the town's proportional part of patrolling patrol road.

Art. 46—To see if the town will vote to give 2% discount on personal and real estate taxes paid before July 1st.

Art. 47—To see what sum of money the town will vote to raise for the care of cemeteries.

Art. 48—To see if the town will vote to charge 6% interest on all unpaid taxes after Dec. 1st.

Art. 49—To see if the town will vote to discontinue electing a new member on Cemetery Committee each year and allow present members to continue until such terms expire and then elect a cemetery sexton to have charge of all cemeteries with the exception of the East Ridge Cemetery.

Art. 50—To see if the town will vote to raise the sum of \$625 for maintenance of State Aid roads.

Art. 51—To see if the town will vote to raise the sum of \$25 to erect an appropriate sign designating the "Cornville Town Hall".

Art. 52—To transact any other business that may legally come before said meeting.

Hereof fail not and have then and there this warrant with your doings thereon.

Respectfully submitted,

FRANK J. PUGH

ARTHUR R. MOODY

EDWARD H. BELGARD

Selectmen of Cornville

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.
